Leslie H. Brunning Research Scholarship

* indicates a required field

About the Scholarship

The Leslie H. Brunning Research Scholarship is offered to students who are enrolled in a graduate research degree in Agricultural Sciences and undertaking research relevant to pasture and other fodder plants suitable to Australian conditions.

Eligibility

To be considered for this scholarship, students must:

- Be enrolled in a graduate research degree in Agricultural Sciences
- Undertaking research in pasture and other fodder plants
- Have met the requirements for confirmation of their candidature

Selection Criteria

- The prize is offered to the student(s) ranked highest by the selection panel based on the quality of their application.
- When determining the successful candidate for this scholarship, other prizes received by candidates are considered.

Application Requirements

You must submit an application and include:

- A personal statement addressing the relevance of their research to pasture and other fodder plants suitable to Australian conditions
- Your curriculum vitae including leadership experience, publications or presentations related to their field of research
- A statement of support from their supervisor

Outcome

All scholarship outcomes will be sent via SmartyGrants.

Please see outcome timing below:

- **Round 1** (Jan-March applications): May-July
- **Round 2** (June-August applications): September-October
- **Future Rounds** - TBC
