Sir Ian Clunies- Ross Prize

* indicates a required field

About the Award

This award is for for veterinary research, carried out in Australia, which will benefit the Australian sheep and wool industry. In awarding the prize preference must be given, whenever possible, to research in the field of veterinary parasitology

Eligibility

To be considered, you must:

- Be enrolled in the Doctor of Philosophy – Veterinary Sciences
- Be undertaking research which benefits the Australian sheep and wool industry
- Have met the requirements for confirmation of your candidature

Selection criteria

The prize is offered to the student(s) ranked highest by the selection panel based on the quality of their application. Students who are undertaking research in the field of Veterinary Parasitology will be given preference. Other scholarships and prizes received by the students are taken into consideration.

Application Requirements

You must submit an application and include:

- Personal statement addressing the benefits of their research to the Australian sheep and wool industry
- Curriculum vitae including leadership experience, publications or presentations related to their field of research
- Statement of support from their supervisor
