Summary of scholarly outcomes e.g. publications, presentations (pending or published) *

Were there any students directly involved in the research program supported through this award? *

- Yes
 No

If Yes, please summarise the work undertaken and any notable student outcomes (if relevant). This might include, for example, opportunities for further collaborations, employment or degree enhancement, industry experience, development of new skills etc.

Brief budget description summarizing how the awarded funds were expended e.g. salary / conference/maintenance etc. If any funds are unexpended, please advise how these funds are to be managed *

**Please note this section must be completed and the information provided may be shared with the donor of this award.*

Please provide a brief biography of yourself (no more than 100 words).

Please summarise the impact of the award funds on your research program and, as relevant, your career trajectory. This might include, for example, whether the award has led to any further funding or collaborations; research breakthroughs, new Intellectual Property or commercial value, industry partnerships or new funding opportunities for your research. *

Please summarise the impact COVID-19 has had on your research, and how these funds have supported you, your team or your research through the pandemic.
