Privacy Collection Notice

The information in this form is being collected by Faculty of Science Research & Industry Office at the University of Melbourne. The information you provide is being collected in order to record administrative details of the applicant, and for assessment by the Faculty of Science Research & Industry Committee, chaired by the respective Associate Dean (Research) or equivalent. The information will be used by authorised staff for the purpose for which it was collected, and will be protected against unauthorised access and use. The names of successful applicants and a summary of their projects will be reported to relevant Faculty committees and senior officers.

If you do not provide all of the information requested on this form, your application may be deemed ineligible and removed from consideration by the committees. You may access any personal information you have provided to the University by contacting 13 6352. The University of Melbourne is committed to protecting personal information provided by you in accordance with the Privacy and Data Protection Act 2014 (Vic). All information collected by the University is governed by the University's Privacy Policy. For further information about how the University deals with personal information, please refer to the University's Privacy Policy or contact the University's Privacy Officer at privacy-officer@unimelb.edu.au.

Select the award scheme you wish to be considered for. Note, only one award per applicant.

- Early Career Researcher Global Collaborations Award - Worldwide
- Early Career Researcher Global Collaborations award - USA
- Both awards
